

PROUD TO SUPPORT THOSE WHO SERVE

# \$5,000 YOUR WAY

With communities located from Northern Colorado to Colorado Springs, a substantial amount of our homebuyers are military service members. In fact, Colorado Springs is one of the most military-friendly areas in the country.

We're proud to provide the quality, value, and lifestyle our men and women in uniform prefer, and we're happy to show our appreciation for their service whenever possible.

Challenger Homes deeply appreciates the commitment and sacrifice our armed forces make for our great country. As part of our mission to make life better and as a thank you for your service, we're offering:

**\$5,000\***
